## CLARESHOLM'S DOMINION DAY CELEBRATION WAS A GRAND SUCCESS

THE PEOPLE OF CLARESHOLM CELEBRATED DOMINION DAY IN GRAND STYLE. EVERYBODY HAD A GOOD TIME

### THE WEATHER WAS JUST RIGHT

The weather man smiled favorably on Claresholm Monday last. After raining all Saturday night and Sunday morning the sky cleared about noon and those who were gazing to think that the celebration would have to be called off again took heart. As the sun went down in a clear red sky Sunday evening everybody prophesied a fine day for the first and they were not disappointed. A better day could not have been had if it had been made to order. With just enough wind to make the flags float beautifully and yet not enough to make it disagreeable for our many visitors. The day was ideal in every respect. The recent rains of necessity made the streets rather muddy for the parade and if it had not been for this many more floats and fancy turnouts would have appeared. Never-the-less the parade was a success in every respect. Every float, whether traid, fancy or comic was well worth seeing and those who got them up spared neither money nor labor in making their turnout a success. The many fine driving and farmers turnouts speak well for the progress that this new country is making.

The parade formed up at 10 a.m. north of the Queen's Hotel and after passing along the principal streets of the town proceeded to the new grounds of the Turf Association where the sports were held. Upon arriving there the large gathering was addressed by Mr. C. S. Hobckiss who on behalf of the town and committees welcomed the visitors. Mr. Hobckiss spoke at some length on Patriotism and the Patriotic nature of a Dominion Day celebration. He congratulated all present upon the good feeling existing between the American and Canadian elements in this country. The address was much appreciated by those who heard it.

#### FOOTBALL

The next thing on the programme was the exhibition foot ball match between Leavings and Claresholm. This started about 11:30 a.m. and was well contested throughout. The home team showed by far the best knowledge of the game and outplayed their opponents at almost every turn. At the end of the game the score was three to none in favor of Claresholm.

#### FOOT RACES

In the afternoon the racing events took place. With one or two exceptions the races were all well contested. The green trot was easy for Reynolds' "Gleeful Girl." This mare also won the free-for-all in a good race by two straight heats. The running races were all good and closely contested. The farmers trot and pace and the Indian race

Most of the business places and many residences were handsomely decorated with bunting and flags. The large number of Union Jacks and Stars and Stripes showing that many, although now good Canadian citizens, have not forgotten the great nations from which they sprung gave to the town a genuine holiday appearance.

All departed for home satisfied with the days outing and will look forward to even a better celebration next Dominion Day.

#### L. O. O. F. Concert

One of the best Concerts yet given in Claresholm was that presented in the Odd Fellows Hall on Monday evening last. The Hall was well filled with an appreciative audience that gave good attention to each of the entertainers. Each and every number on the programme was so well rendered that those who were not present missed a rare treat.

With the exception of Mr. Ryan and Mr. Griffith those taking part were well known and are more appreciated every time they appear before the public. Mr. Ryan as a comic singer and step dancer showed himself an artist in his line. Mr. Griffith in his Indian Club Act gave the best exhibition of Indian Club swinging that has ever been seen by most of those present. In this line he is an artist.

The solos by Miss Soly and Miss Priest in the first part and those by Mr. Steeves and Mr. Vaughan in the second part were all remarkably well rendered and received well earned applause. The comic song by E. Ross MacKenzie kept the audience in convulsion of laughter. Mr. Tollington's rendering of "The Charge of the Light Brigade" was good and also caused much amusement. But one of the best numbers on the programme was the recitation by Mrs. Walker. As a reader and reciter Mrs. Walker has few equals either amateur or professional in this country. Her selection was well chosen and rendered in a manner that is possessed only by one who has mastered the art and has the natural ability of a first class orationist.

The dance after the Concert was largely attended. The music was good and those present report a first class time although the floor was so crowded that at times it was almost impossible to dance.

General Secretary of Sunday Schools Visit

The Rev. J. C. Robertson, B. D. Toronto, the General Secretary of Sabbath Schools of the Presbyterian Church in Canada will visit Southern Alberta during the week from the 11th to the 20th of this month. His programme of meetings is as follows:

Sunday July 14 High River  
Monday July 15 Nanton  
Tuesday July 16 Claresholm  
Wednesday July 17 Lethbridge  
Thursday July 18 Macleod  
Friday July 19 Coleman

The meeting in each place will be held in the Presbyterian Church at 8 o'clock in the evening. All interested in Sunday School work, especially Sunday School teachers are respectfully urged to attend Mr. Robertson's meeting and take this opportunity of meeting him. There will be a collection at each meeting to defray expenses.

LARGE CROWD

The crowd was far to the largest we have yet seen in town. They began to arrive shortly after seven o'clock in the morning and kept up a steady flow until noon. A conservative estimate of the number on the ground places it at 2500.

NOTICE is hereby given that in Order in  
Compliance with the Act, the said portion  
of the Canadian Pacific Railway, the  
line running from the International Boundary  
to the North of the Bow River, through the  
Rocky Mountains, across the Northern Barren  
Land, and thence through the Bow River  
valley to the Bow River, and thence  
through the Bow River valley to the  
North of the Bow River, and thence  
through the Bow River valley to the  
International Boundary, is declared to be  
in full operation.

It is further provided that, in view of the  
old roads, tracks, bridges, fences, and  
other works, which have been constructed  
and maintained by the Canadian Pacific  
Railway, and the great expense involved  
in the removal of these works, it is  
proposed to leave them in place, and  
to use them as roads, tracks, and  
bridges, and other works, in connection  
with the Canadian Pacific Railway.

SUNSHINE  
FURNACE

BURNS COAL OR WOOD

The Sunshine is a good tall  
round furnace. Burns with  
little heat and great economy.  
Coke, coal, wood, oil, gas, etc.

It is the opinion of the  
Sunshine that it exceeds  
any other furnace in the  
world in the amount of heat  
it generates.

Who would not prefer  
this to any other furnace  
in the market?

If you are not satisfied  
with your present furnace  
you can have the Sunshine  
furnace at a reasonable price.
